Content Focus

Cancer Care Research Online will feature the original work of cancer nursing and multidisciplinary cancer care researchers in the global community to advance the findings of evidence-based research on multiple aspects of cancer care delivery practices worldwide. Original work will include reports of pilot and feasibility studies, new instruments or instrument translations, and new conceptualizations that can be predictors of future research focus in cancer care research, representing early efforts and ideas about what could become influential research.

Editor-in-Chief

Pamela S. Hinds, PhD, RN, FAAN

Frequency

Quarterly
