### Content Focus

*Contemporary Neurosurgery* is a newsletter offering a continuing medical education program to neurosurgeons looking for AMA PRA Category 1 Credits™. An annual series of 18 lessons keeps readers aware of new developments and techniques in neurosurgery and offers up to 36 credits/year. Each issue contains an original article written by a leading specialist who provides an in-depth review of one specific topic. All articles are authoritative, concise, and supplemented by illustrations as well as a CME exam.
