Emergency Medicine News Products & Services Directory

This online directory offers an extensive listing of companies providing the necessary tools and technologies needed in a busy emergency department, along with hospitals and emergency medicine providers that may serve as valuable career resources. Hosted on the *Emergency Medicine News* website, which attracts more than 76,000 visits a month, engaged visitors can search manufacturers and service providers by company name or category. Choose from two packages to help your listing stand out.

Job Postings

From basic job listings to sophisticated recruitment programs, a range of budget-friendly solutions place your positions at the fingertips of the right candidates at the right time.

Premium Sponsorship

Conference Coverage

Daily updates on the latest clinical research presented during key society meetings. Wolters Kluwer collaborates with experienced medical writers to attend meeting and provide summaries on highlights from sessions on a specific topic. Daily updates delivered through newsletters to our engaged subscribers in the target specialty area. Summaries are hosted online roadblocked with client banner ads at 100% SOV.

Resource Centers

Custom-created therapeutic microsite addressing target HCP's or patients' needs for the most current information on disease states, procedures, and effective treatments or to drive education during awareness months. Content is curated from multiple sources such as journal articles, book chapters, downloadable patient education materials and multi-media assets such as podcasts, webinars, and videos. Sponsors may provide assets and run of site banner advertisements at 100% SOV.

Webinars/Virtual Round Tables

A virtual discussion or presentation focused on education or promotion of a product or service. Engage with audience through surveys, giveaways, polls & quizzes to assess learning efficacy. Produced as On-Demand or Simulive. Audio-only or video options available.

Podcasts

Exclusive opportunity to create an industry podcast on your topic of choice. A brief 15 second audio ad read by the podcast host at the beginning of the episode.

Videos

Exclusive opportunity to drive brand awareness and education through a video focused on a specific therapeutic area or disease state. Video is hosted on journal's home page. Advertiser provides video asset.

Interactive Infographics

Collaborate with Lippincott to create an interactive educational infographic with dynamic content in the form of text, tables and charts, images, and media to deepen engagement and enhance readers' understanding of complex data.

Research Review Club

Disease focused journal club featuring the latest in evidence-based clinical information and commentary from a KOL. Exclusive sponsorship opportunity at 100% SOV. Wolters Kluwer collaborates with customer to select a KOL to host a journal review club focused on a customer-selected strategic medical topic.

Point-of-Care Solutions

Integrate your brand into the patient's exam room experience and place your brand alongside the information patients take home to their loved ones. Sponsor branded anatomical charts, tear pads, disease state brochures, and more.

Custom Solutions

For additional solutions to meet your campaign needs, contact your Sales Representative.

Journal Advertising

Print Ads

Place your message within our award-winning publications and peer-reviewed journals in medical, nursing, and allied health. Multiple sizes available as well as premium positions.

Cover Tips / Wraps

Include your advertising message on a duplicate cover sheet placed directly on top of the existing issue front cover. Cover wraps extend over both the front and back covers of the journal, while a cover tip-on affixes only to the front cover.

Inserts / Outserts

Inserts are printed on heavy paper stock to ensure the journal will break at your ad and get your message seen. Outserts can be polybagged and ride along with one of our journals.

Supplements

Advance HCP clinical skills and understanding of advancements in research through publication of a journal supplement. Journal supplements enable supporters to insert awareness of diseases and disorders, translate scientific developments into clinically useful information, and address important challenges facing practicing providers. Supplements may be developed in print as well as electronic formats, enabling inclusion of supplemental digital content, such as brief videos, peer-to-peer discussions, and additional tables and graphs.

Reprints

Print Reprints

Hard-copy reprints provide a credible leave-behind with staying power. HCPs read them, share them with colleagues, discuss them with patients, and save them for future reference. Leave behind after your sales force detail, distribute at your conference or meeting booth or polybag alongside journal

subscriber copies. Visit our [reprints portal](#) and search our database to find the right article for your campaign needs.

Digital Reprints

Deliver the same journal content in electronic form and offer the added benefit of controlling and tracking the content. Leverage digital media to provide HCPs with critical content from the journals they know and trust. Embed an ePrint link into your advertising, share during a detailing call or email your licensed PDF directly to healthcare professionals. Visit our [reprints portal](#) and search our database to find the right article for your campaign needs.

Submission of Ads

We prefer and strongly recommend the submission of ads via High-Resolution Digital Media as follows: Required format is PDF: Adobe Acrobat 6.0 + up. Electronic Transfer: Internet, FTP. Please contact your Production Associate for FTP information. Ads must be complete and sized at 100% (confirm final trim size of journal). Ad size needs to include necessary bleeds (minimum bleed allowance = 1/8" each side). All fonts and graphics must be embedded; Open Type fonts are recommended. Ads must be saved as high resolution for print publication (minimum of 300 dpi for half tone times, 600 dpi for images containing pictures and text, 1200 dpi for line art). Four-color solids should not exceed SWOP density of 300%. Convert all RGB to CMYK.

Insert Requirements

- Acceptance:** Sample of insert must be submitted to Sales Representative for approval.
- Availability:** Consult Production Associate for insert specifications, quantity, and shipping instructions.

Disposition of Materials

Material, other than inserts, will be held one year from date of last insertion and then destroyed unless specifically instructed otherwise. Excess inserts will not be held after binding unless requested in writing.
