Designed by medical experts, this tool transforms content into evidence-based, scenario-driven experiences tailored to a therapeutic area. It boosts clinical confidence, deepens engagement, and delivers measurable ROI with seamless integration.

### Sponsored Articles

Align recent trial data, DSE, or product innovations with trusted journals through this exclusive tactic. Sponsors can provide content, including advertorials and white papers, which are hosted on a custom URL with 100% SOV display banners. Promotional drivers are included to maximize visibility.

### Point-of-Care Solutions

Integrate your brand into the patient's exam room experience and place your brand alongside the information patients take home to their loved ones. Sponsor branded anatomical charts, tear pads, disease state brochures, and more.

### Custom Solutions

For additional solutions to meet your campaign needs, contact your Sales Representative.

## Journal Advertising

### Supplements

Advance HCP clinical skills and understanding of advancements in research through publication of a journal supplement. Journal supplements enable supporters to insert awareness of diseases and disorders, translate scientific developments into clinically useful information, and address important challenges facing practicing providers. Supplements are developed in electronic format enabling inclusion of supplemental digital content, such as brief videos, peer-to-peer discussions, and additional tables and graphs.

## Reprints

### Print Reprints

Hard-copy reprints provide a credible leave-behind with staying power. HCPs read them, share them with colleagues, discuss them with patients, and save them for future reference. Leave behind after your sales force detail, distribute at your conference or meeting booth or polybag alongside journal subscriber copies. Visit our reprints portal and search our database to find the right article for your campaign needs.

### Digital Reprints

Deliver the same journal content in electronic form and offer the added benefit of controlling and tracking the content. Leverage digital media to provide HCPs with critical content from the journals they know and trust. Embed an ePrint link into your advertising, share during a detailing call or email your licensed PDF directly to healthcare professionals. Visit our reprints portal and search our database to find the right article for your campaign needs.
