Content Focus

Plastic Surgery Resident is a new quarterly magazine designed to help plastic surgery residents (and young plastic surgeons) navigate the early part of their careers. Editorial coverage includes advice on choosing a career path, practice management tips from marketing to risk management, recommended journal articles for residents, coding information, news impacting residents and the specialty – and many more topics that are not always covered plastic surgical training.

Journal Advertising

Print Ads

Place your message within our award-winning publications and peer-reviewed journals in medical, nursing, and allied health. Multiple sizes available as well

as premium positions.

Cover Tips / Wraps

Include your advertising message on a duplicate cover sheet placed directly on top of the existing issue front cover. Cover wraps extend over both the front and back covers of the journal, while a cover tip-on affixes only to the front cover.

Inserts / Outserts

Inserts are printed on heavy paper stock to ensure the journal will break at your ad and get your message seen. Outserts can be polybagged and ride along with one of our journals.
